

Learning To Eat Is Fun!

Who says that learning to eat can't be simple and fun? Let your precious little tyke enjoy his meals with Pigeon's "All By Myself" full set of cutlery. Complete with a plate and dish, (with non slip base design) as well as 1 set of easy to grip utensils that can be neatly stored inside a chic travel case, your child can now easily learn how to eat all by himself, just like the 'big kids' do! Most importantly, this cutlery set is BPA free, and like all the products in this series, they are double injection moulded so it is also paint free for your child's safety, now only at \$34.90. It is available at all major department stores such as **Takashimaya**, **John Little and Isetan**.
